### Your Host!

Connie

I have the pleasure of being your Cruise Host! If there is anything I can do to make your cruise more enjoyable please let me know. I will be present at all of the activities listed in this pamphlet. Should you need me outside of these hours, please phone the information desk and ask to be connected to the "SinglesCruise.com Group Leader."

## Important Info

Keep this pamphlet with you; the crew does not know of our private meeting events.

**QUESTIONS:** Your host is available for questions at all the events listed in this pamphlet. If you have an emergency, you can reach her by phoning the information desk and asking for the SinglesCruise.com group leader.

**DINING:** This is a great way to meet others in the group. Please sit at your assigned table the first evening. This encourages meeting new people and expedites the seating arrangements. If you would like to sit with new friends you have met over the week, we ask that you go to the dining room EARLY with your entire party. Please do not reserve seats. Men may not wear tank tops/hats/shorts in the dining room. Please note that due to the large amount of food service that takes place in the dining room, not all tables are served simultaneously.

**PLEASE WEAR YOUR NAME BEADS, OUR PARTIES & DINING ARE PRIVATE:** YOU MUST WEAR THESE TO GAIN ENTRY TO OUR PARTIES. This helps us to distinguish each other and meet everyone in our group.

**TOURS:** If you have booked a recommended NCL tour, the times and meeting places will be listed on your NCL ticket and left in your stateroom. Please bring your ticket, cruise card, photo I.D., and small change to the meeting place where a SinglesCruise.com representative will be present to meet our group.

All events/times/locations and dress code are subject to change at the ship's discretion.  
You must consult the ship's information center for accurate departure times; this pamphlet is only a guide.

Travel Insured International: FOR EMERGENCY ASSISTANCE DURING YOUR TRIP CALL: 800-494-9907 (From US/Canada) OR CALL COLLECT: 603-328-1707 (From all other locations)

★ Guests are responsible for sharing Onboard Credits that are assigned per cabin. The cruise line will not accept responsibility to split the value between guests. See Guest Services onboard for any questions.
